Housekeeping Notices

Maintenance Work

Please note that essential work will be underway at Hester from 8.30am Wednesday 13th November through until late afternoon Friday 15th November.

Certain areas will be blocked off from public egress while the work is being done and then when completed; it is essential there areas are undisturbed.

Please excuse any inconvenience this may cause. We appreciate your understanding and cooperation in this matter.

Garden Matters

Several of the sprinklers that attach to hoses have gone missing; if you know anything of their whereabouts please speak to John Fitzgerald.

When depositing waste matter in the compost tumbler in the veggie garden, please ensure the lid of the compost tumbler is replaced properly (otherwise there will be a rather unpleasant mess for someone to have to clean up).

Parking In the Driveway

In an effort to preserve the slate tiles at the entrance of Hester. Please do NOT park any vehicles on the driveway by the manager's office window.

"No Parking" signage is now up in this area.

This request does not have any bearing on people being dropped off and picked up in this area, although we do request wherever possible that vehicles stay on the actual driveway.

The Hester Canterbury Newsletter is uploaded on the Hester website under 'news'.
