## Health Safety Measures

As purely a precautionary measure, given the current concern about COVID-19, antibacterial hand rub is available at the following locations at Hester-

- By the sink in the kitchen,
- By the sink in the café area,
- At the reception desk.

## Frozen Meals

The kitchen staff under our Head Chef's expert guidance are currently creating some very tempting new menus and recipes. Until the new menus and selections are in use there will not be frozen meals available from the Hester kitchen freezer. We do apologize for any inconvenience this may cause, however we are sure the new selection of meals will be worth the wait.
