Residents' Forum 10.00am Wednesday 25 March

We encourage all residents to make the effort to attend the upcoming Forum. Not only will you be informed of various issues and current affairs, but also have the opportunity to express any observations, concerns or feedback (positive or negative) concerning your home, Hester Canterbury. Your contribution is valued and essential.

Emergency Procedures Safety Information

Hester Canterbury has recently had all our safety procedures revised and we continue to be compliant with legislative requirements and "best practice".

You will receive an updated Emergency Procedures Information Form for each apartment, please dispose of any earlier instruction forms and place a new form in a prominent position in your home.

It is invaluable to take the time to familiarize and learn the guidelines provided in the information.

Useful to Know

One of our resident was recently advised by a Financial Director to write on any documents the full "2020" for the year and not just "20". By doing so no one can fraudulently alter the date by making it 2018, 2019 and so on.
