## Housekeeping Notices

A reminder to all residents and especially to those that are knowingly **not** wearing their masks correctly.

Your mask must fit **OVER** your **nose** and **mouth**. You **must** wear a mask **as soon** as you leave your apartment for **any** reason at all.

We would also strongly recommend you wear a mask **every time** you open your front door.

If you fail to wear your mask properly you are putting all at Hester Canterbury in potential risk.

If you find face masks untenable, a face shield may be an alternative option.

We all have a responsibility to think of the greater good for all in our community.

It can be difficult to always remember your facemask - try leaving one hanging on your internal front door knob as a constant reminder.

You will notice there are hand sanitizers located in all the refuse rooms on all three levels – please use the sanitizer **every time** after depositing waste in the rubbish chute.

The Hester Canterbury Newsletter is uploaded on the Hester website under 'news'.
