Please be aware that all the 3 lifts at Hester Canterbury will be undergoing a routine maintenance check from 9:00am on the above date.

This will involve the lifts being out of action while servicing is taking place (approximately half an hour per lift).

This is essential work that must be done and we appreciate your understanding while this work is being actioned.

There was a raffle planned for last Friday until time got away. At reception you will find a raffle book, please write your details (name and apt number) on the

left hand side stub and take the right hand side with you for safe keeping.

We will draw the raffle early next week and the winner will be announced next week in the last newsletter before Christmas.

Thank you...

Our thanks to Alan for providing the festive music for our Christmas function it really helped set a pleasurable atmosphere with all the yule time favourites being played.

Every one has commented on the delicious repast the chefs served on Friday night it really was so tasty and 5 star hotel standard.

More good news...
