Christmas Raffle

Last chance to win a wonderful raffle prize! Make sure to have filled in a ticket in the raffle ticket book on the reception desk.

The raffle will be drawn **Thursday 24 December** and the winner announced in next week's newsletter.

Cleaning

Early in the new year the external cleaning of the building will continue incrementally; as one area is cleaned the equipment will then be moved to the next area for the work to be undertaken.

Some of the windows may be marked by this cleaning, however they will all be rinsed as the work is finished.

The reason the windows were cleaned prior to these works being done is that, understandably, many residents wanted the windows cleaned prior to the Christmas period.

Should you need any **urgent** repair or maintenance work done over the holiday period, please refer to the **Hester Canterbury Emergency Process** flow chart, previously issued to all residents

Christmas Message...

It has been a trying year and you have dealt with each and every difficulty with strength, stoicism and good grace.

In western cultures there can sometimes be a tendency to dismiss those over a certain age; all at Hester Canterbury have shown that you are all a force to be reckoned with as you took every change and limitation of liberty in your stride.

May all of us at BASScare take this opportunity to wish you all a joyous festive season and we are looking forward to 2021 being a better and brighter one for all.

Our very best and warm regards,

Alexia, Edward, staff and management of BASScare, and the BASScare Board of Directors.

Week Four of the Summer Menu starts on Monday 28 December.
Please place any orders by lunchtime the Thursday before.
Bon Appetit!
