Housekeeping Notices

Thank you to all residents who took the time to vote concerning the purchasing of a portable barbeque. Another reason to consider replacing the existing barbeque with a portable one is the close proximity to the trees where the current barbeque is located. Your opinion is important so if you have not already done so please take the time to register your vote; the form will be available to do so at reception until close of business Friday 16 April.

STOP THE PRESS....

We have had notice from Josh Frydenberg confirming that Canterbury Sports Oval and the two main ovals at Surrey Park will not be used by works yet to be actioned to remove the level crossings at Union and Mont Albert Roads.

Scrabble Anyone?

If you are interested in a friendly game of Scrabble occasionally, (monthly) please add your name and preferred time and day on the sign up sheet at the reception desk. More information to come.

More housekeeping notices continued overleaf...
