Some More Housekeeping...

The ASKO dishwasher in the café area has been serviced and the function menu has been re set.

The vast majority of the items that are washed in this machine are very lightly soiled and ASKO recommends that the best programme for this type of washing is “auto wash”.

PLEASE DO NOT ALTER THIS PROGRAMME.

Did you know?

The official Mother’s Day holiday arose in the 1900s as a result of the efforts of [Anna Jarvis](#), daughter of Ann Reeves Jarvis. Following her mother’s 1905 death, Anna Jarvis conceived of Mother’s Day as a way of honouring the sacrifices mothers made for their children.

After gaining financial backing from a Philadelphia department store owner named John Wanamaker, in May 1908 she organized the first official Mother’s Day celebration at a Methodist church in Grafton, West Virginia. That same day also saw thousands of people attend a Mother’s Day event at one of Wanamaker’s retail stores in Philadelphia.

Following the success of her first Mother’s Day, Jarvis—who remained unmarried and childless her whole life—resolved to see her holiday added to the national calendar. Arguing that American holidays were biased toward male achievements, she started a massive letter writing campaign to newspapers and prominent politicians urging the adoption of a special day honouring motherhood.

**Week One of the Autumn Menu starts on Monday 10 May.
