

2 June 2021

## Important Dates

### Tuesday, 8 June

On the above date (weather permitting) the gutters at Hester Canterbury will be cleaned.

Please be aware of this as you traverse any areas where the work is being carried out overhead, in case these areas are slippery from any debris that may have fallen.

### Tuesday, 8 June

Due to the updated COVID-19 restrictions the monthly meeting of the Hester Canterbury Residents' Committee will be deferred until further notice. If you have anything you would like included in the meeting, please put it in writing and place your correspondence in the committee mail box.

Access free Wi-Fi on ground floor. Please see staff for the password.

## Housekeeping Notices

Simon has done a wonderful job in the vegetable garden and has planted a variety of Winter vegetables.

It is respectfully requested that you do not pick the vegetables until notice is given formally to do so, and whenever practical the harvested crop will be left in the café area for you to help yourself to some Hester Canterbury homegrown delights.

### CHANGE OF DATE...

The scarf fund raising stall that was to be held today will be delayed due to the current COVID-19 lockdown

restrictions – do not despair, it will be held as soon as it is permitted. So clean out those cupboards and aside from revitalizing your wardrobe with a

\$5 purchase, you will be helping raise money for Cancer Council Australia. (With the owner's permission all unsold scarves will be donated to a womens' refuge.)

Please note that due to the current COVID19 lockdown restrictions there will be **NO** gym class this Thursday June 3. We will keep you informed as soon as the lockdown status changes.

The Hester Canterbury Newsletter is uploaded on the Hester website under 'news'.

## Upcoming work at Hester Canterbury-

In the month of June the cleaning and sealing of the southern walkway area of Hester Canterbury will be done, along with the cleaning of all the windows on the property.

There will be more details provided closer to the dates (which of course will be dependent on the weather); however please be aware that once the paved areas have been cleaned and sealed it will be at least **24 hours** before they can be walked on again.

## Some of the most unusual words in the English language...

*Kakorrhaphiophobia* - If you suffer from this, then you would very much rather not have this word appear in a spelling bee, since it describes the fear of failure.

*Ulotrichous* - Men and women who are ulotrichous often don't want to be, this word refers to people with curly hair.

*Nudiustertian* – Simply refers to two days ago (the day before yesterday), fortunately or unfortunately this expression has fallen into disuse.

*Tittynope* – To be precise the scattering of crumbs left on a plate or the grains of rice sitting at the bottom of the bowl, they are tittynopes.

*Halfpace* – It is a landing, but not just any landing. It refers to the small landing at the top of a flight of stairs where you have to turn and take another flight of stairs whether going up or down.

*Bibble* – If someone eats or drinks noisily, what they are doing is referred to as bibble.

*Impignorate* – To pawn or mortgage something.

*Xertz*- The act of gulping something down in haste.

Week One of the Autumn Menu starts on Monday 7 June.  
Please place any orders by lunchtime the Thursday before.  
Bon Appetit!

**Hester**  
Canterbury

Please forward any contributions for future newsletters to Alexia for inclusion.
