Housekeeping Notices

As mentioned in last week's newsletter our petition to Boroondara Council requesting the removal of the two parking spots from directly out the front of the property is available for signing. Please urge **all** visitors and service providers to also sign it – the more signatures we can gather hopefully the stronger our case will be. The petition is located on the reception desk.

A list of the Tuesday evening films for the month of July has been distributed for you all.

Much appreciation to John and Margaret for all their continual efforts to ensure there is a diverse and interesting choice of films each month.

Please be aware that on Tuesday July 6 new residents will be moving into Apartment 2.04 in the west wing. Please be cautious using the lifts as they will be lined with protector curtains while furniture and other goods are being transported.

The latest edition of the BASScare magazine for July/August 2021 will be distributed this week. It is full of events and activities to ensure that the BASScare community stays active, entertained and connected over the winter months.

2/ - Canterbury Precinct Feasibility Works for Commuter Car Parks
