Our wonderful resident photographer has perhaps captured the cure the world has been looking for to banish COVID19 once and for all – send our native Rosellas out into the Cosmos to literally devour it all up!
(The tree pods look remarkably like the virus close up!!!!)

Our scarf stall was a lot of fun and aside from a chance to clear out some space in our wardrobes an extra \$155.00 was raised for the Cancer Council of Australia. Along with our Big Morning Tea held earlier this year you have raised a total of \$915.00 for this very deserving charity – an amazing effort from our Hester Canterbury community.

A big thank you to our brilliant resident who came up with the idea of the scarf stall - it was really worthwhile and a lot of ladies in need will surely appreciate having the remaining scarves for the winter.

Reminder to all...

Please do not leave dirty crockery and other utensils in the sink for others to clean up. Please just rinse them and place in the dishwasher, when the dishwasher is full, it will be turned on.
