With the easing of COVID restrictions in Victoria one of our residents was able to attend a luncheon to meet some of the Australian Ballet ensemble which no doubt would of been a wonderful and unique experience.

Our weekly film nights are an entertainment and social occasion very well received by so many of our residents.

Aside from our film committee who make such diverse and enjoyable film selections, we would also like to express our appreciation to Allan who goes to so much effort to dress in theme or provide extra information concerning each film selected.
