House Keeping Continued....

Please ensure all rubbish that is put in the rubbish chutes is bagged, in particular if pet refuse is being placed down the chutes it **must be double bagged** because at times it is breaking on impact in the basement and kitty litter is going everywhere.

The King of Marmalade (Apt 2.08) is about to brew up a batch of marmalade and is very short of glass jars to store it in. If you have any glass jars that you could donate to this most worthy cause they would be gratefully received.

Things that brighten our day...

The relatives of one of our old residents was in contact this week to say how much his father enjoys the orange juice that two very thoughtful residents drop off at the nursing home their father now lives in. The family would like to let you know how much your kindness means to them all - thank you.

Just for a laugh....

Week Three of the Spring Menu starts on Monday 25 October.
Please place any orders by lunchtime the Thursday before.
Bon Appetit!
