## Hester Canterbury House Keeping continued...

When you are using the rubbish chutes please be aware of the apartments in the near vicinity of the chutes and ensure that both the chute and rubbish room doors are closed gently.

Also please check if using the re-cycling option of the chute that you press the far left button and wait until it illuminates yellow before depositing, otherwise the re-cycling will go down the normal rubbish chute.

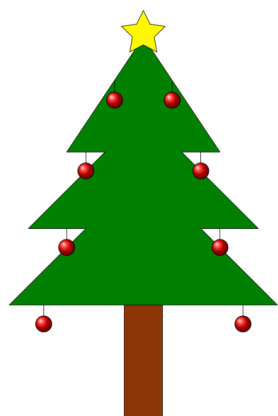

Our resident photographer Dr. F will have his much anticipated 2022 calendar available for all residents in the near future.

More details to follow in subsequent newsletters.

The film selection for the month of December is now available in your letterbox - the films show every Tuesday evening from 7:00pm.

Thank you yet again to the Film Committee for all their efforts to select a wide range of films with something to appeal to all.

You will have noticed a competition entry form has been distributed along with this edition of the newsletter. Our resident from Apartment 1.06 has gone to an incredible amount of effort and time to plan and make this amazing competition to bring some early festive fun. The competition board will be set up by the heater in the main lounge area and all entries must be in by 2:00pm 10 December. Please hand your completed entries into Alexia for a chance to win the first (and only !) prize. Bouquets to our very thoughtful resident for such a lovely and fun thing to do.

**Week One of the Spring Menu starts on Monday December 6.**  
**Please place any orders by lunchtime the Thursday before.**  
**Bon Appetit!**
