For any resident who may have some hard rubbish they may wish to get rid of, there is a skip in the drive way of Faversham House you may deposit your waste in (underneath Hester Canterbury Apt G.02). Please **do not put** any electrical goods (including computers) or hazardous waste in the skip.

As it is not known how long the skip will be on site so please take advantage of it while it is available.

Congratulations to all Hester Canterbury residents who made our inaugural barbecue such a success.

A special thank you to Ian. P, John. F, and Terry who organized the cooking (and tidying up) so successfully and to everyone who joined in on the evening.

Residents especially appreciated the outdoor setting, our ability to mingle with each other and hear each other's conversation !

Now that the weather is improving, let's hope we can have another one soon.

(Written by resident Margaret. G).

By the way the bar-be-que is safely back downstairs, ready for future use.

Don't forget to get your entries for our Christmas competition into Alexia by lunch time Friday 10 December , the winner will be announced at our party Friday night and will be able to collect their prize then.

Again a big thank you to Ralda for all the time and effort she has put into organizing the competition for the Hester Canterbury Community.

Week One of the Summer Menu starts on Monday 13 December. Please place any orders by lunchtime the Thursday before. Bon Appetit!
