

23 March 2022

## Important Dates

The monthly craft get together is on **Monday, 28 March at 2:00pm**. Please bring your latest craft project for an afternoon of good company and productivity.

On the following dates **Thursday 24**

and **Friday 25 of March** all the air conditioners in all common areas and apartments will be serviced. If you are not going to be home Alexia will be able to provide access to the contractors. (Please see more details overleaf).

### **Save the date....**

It is with much pleasure our monthly Hester Canterbury dinners are resuming and will be held on the 3<sup>rd</sup> Thursday of each month.

Access free Wi-Fi on ground floor. Please see staff for the password.

## Housekeeping Notices

As is common place, some residents have different clauses in their individual contracts and therefore may have the responsibility for servicing their apartment's air conditioner. Concerning the imminent servicing of the air conditioners later this week, as a **one off**, the cost of servicing **all** the apartment air conditioners will be covered by BASScare.

Some of the key safes at Hester Canterbury are not operational because the 4 digit codes are not available.

Please let Alexia know your code number for your apartment and this information will be kept confidentially and securely in case it is needed for future reference, as can be the case when apartments are vacated.

Trip Hazard

In the near future some of the floor boards in the courtyard will be lifted and removed so further maintenance work can be carried out at this location.

Please be careful when traversing this area until the boards are replaced.

The Hester Canterbury Newsletter is uploaded on the Hester website under 'news'.
