

## Calendar Dates

### DON'T WORM YOUR WAY OUT

It is wonderful to see our **Worm Bins** in full operation and hopefully producing the **'Good Juice'** for our gardens soon. To assist all Residents in what food scraps to dispose of and how to use the Worm Bins, our resident gardener **Martin** will be conducting a full **Demonstration** on its operation & utilization on **Wednesday 22 February at 10:30am** in the middle basement Refuse Room. Look forward to seeing you there.

## Notices

### ACCESS DENIED BEYOND THIS POINT

If you're having flashbacks of the dentist chair and the traumatizing noise and vibration of the drill, then I'd say that you are well aware of the **Construction Works** taking place at the front of **Hester Canterbury**. Replacement of the floorboards is traveling along well and just a reminder that the **Foyer / Reception area** is **strictly** off limits to everyone due to the potential for injury. Also, during Stage One of the works, the Club Lounge & Dining Room lights will need to remain on day and night as there's no access to the switchboard. **Please note that there is still access to the intercom for visitors**, and for parcel deliveries. We thank you for your consideration and patience during this time and if you have any questions, please let me know.

### WE'RE ON THE MOVE

Originally ear marked for **Stage Two** of construction when the Club Lounge and Dining Room will be off limits, your **new communal lounge** will be created in **Apartment G.02** and will consist of chairs, tables, tea and coffee making facilities and a sprinkle of community spirit. This move will be expedited in the coming days to alleviate the current discomfort with noise and dust. Your **mail and parcels** will continue to be placed in the **Private Dining Room** until the completion of Stage One works. If you have any questions or suggestions, please pay me a visit or place a note in the letterbox in the Pvt Dining Room

## Hester Class

English actors Sally Hawkins & Steve Coogan team up for this drama / comedy **'The Lost King'** screening **Tuesday 14 February at 7:30pm**.

### WHAT'S FOR DINNER

Tired of cooking for yourself and just wish someone else was looking after dinner? **We have the solution**. Take a look at the delicious **Hester Summer Menu** with a choice of 4 dinners daily plus desserts and soups. Leave the planning, preparation and presentation to the **excellent chefs at Faversham** and ask me for a copy of the menu.

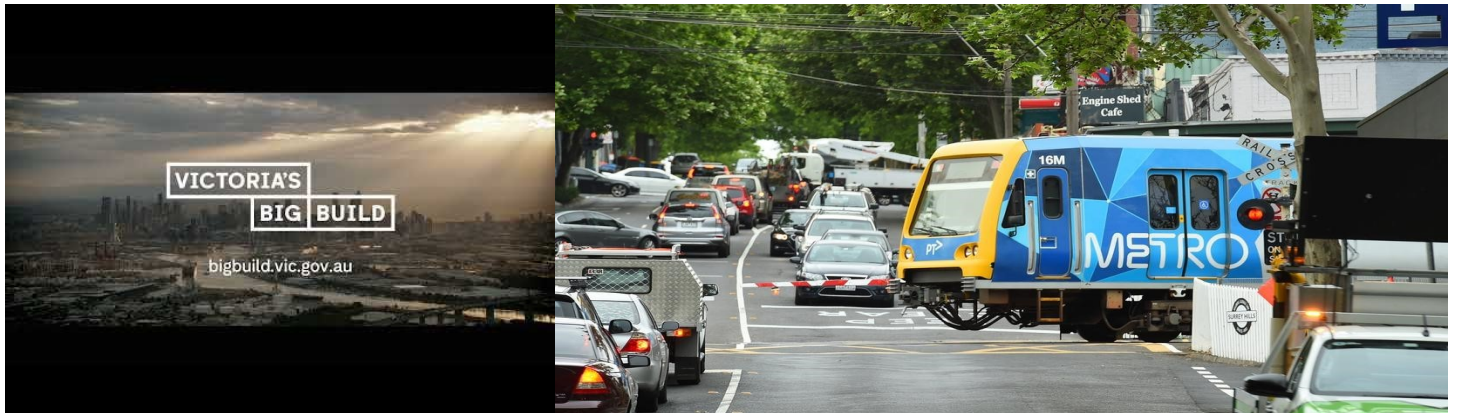

The Hester Canterbury Newsletter is uploaded on the Hester Website under 'news'.

# CROSSING OFF YOUR LIST

The level crossing removal at Union and Mont Albert Roads is about to enter the final long stage in which the crossings will be removed and the new lines will be created.

To accommodate this, please note the following **closures and public transport disruptions**.

So you can plan ahead, commencing **17 February through to early May**, both **Union Road** and **Mont Albert Road** railway crossings will be **CLOSED** to traffic and pedestrians. In addition, buses will replace trains between Box Hill and Camberwell in both directions.

## TAKE A MINUTE FROM YOUR WORKOUT

There's no time like the present to donate 5 minutes of your time to a little exercise, be it a stroll outside in nature or a little peddle on the bike in the **Hester Canterbury Gym**.

If you are a regular at the Gym or just starting off your exercise journey, could you please take a moment to complete the **Sign In / Sign Out form** on the table and wipe down the equipment after use with the wipes provided so it's ready for the next person. Before you go, rehydrate with a cup of ice cold lemon water provided to quench your thirst.

Thank you and have a wonderful week.

**Week Three of the Summer Menu starts on Monday 13 February.**  
**Please place any orders by 1pm the Thursday before.**  
**Bon Appetit!**
