There will be a fine selection of your favorite high tea treats both **savory and sweet** to see you through the afternoon, washed down with a tingle of bubbles and / or a nice warm beverage.

WHAT'S WITH THE QUESTIONS

Thank you to everyone that has responded to last weeks Q&A in the Newsletter, the responses have been very helpful. We are just finalizing the **Survey** so that it can be completed either online, or so we can supply a hard copy if that is your preference. You will be notified when it goes live. In regards to the **Swipe Card vs. FOB**, we will presently be stocking up on both options and it will be your choice which one to purchase if you require a replacement in the future. The gardeners should commence turning soil soon to establish the **Winter Vegetable** garden with your suggestions, so save some room on your plate.

The Hester Canterbury Newsletter is uploaded on the Hester Website under 'news'.
