Happy Mothers Day.

Hester Class

A stellar female cast is brought together for **'Suffragette'** this historical drama that centres around 24 year old laundry worker Maud Watts fight for equality to allow women to vote, while having to live in a despairing and archaic London in 1912. Screening in **Hester Class 7:30pm sharp Tuesday 16 May.**

IT'S LIGHTS OUT

As part of the installation for the back-up generator infrastructure, contractors will need to **shut down** the power to all communal areas and lifts from **5:30am this Friday 12 May** for approximately **2 hours**. This will not affect your apartments. Thank you for your consideration

HOLD THAT THOUGHT

The proposed guest author for **18 May, M.K. Jacobs**, will be rescheduled to possibly June due to a recent illness, plus being nominated for **'Book of the Year'**. A sign-up form will be placed on the Reception desk once a new date has been confirmed.

SURVEY CLOSED

The results are in for the **Hester Canterbury Resident Survey** and I wish to thank all residents that participated for taking the time to complete the survey and provide valuable feedback. The results will now be compiled and analysed.

SIGN UP IN BASEMENT

You may have already noticed that we now have apartment allocation signs on the **Storage Cages** as an indicator of which car space, or spaces, and storage cage belongs to which apartment. This will assist new residents, family members, maintenance staff, and some residents to align car spaces with apartments.

The Hester Canterbury Newsletter is uploaded on the Hester Website under 'news'.

ARMCHAIR TRAVEL DELIGHTS

I've been to many beautiful places around the world but one of the most memorable was in **Lapland**.

We went up in a ski-lift, then walked through snow to the top of the Mountain where our hosts were waiting with champagne. We sipped our champers at midnight with the sun shining brightly overhead.

I don't know why but I had to be helped back down the mountain by my husband holding one arm and a nice Japanese gentleman the other as the snow must have become slippery!
