## Hester Class

**Hester Class** turns up the **Bollywood** musical in the form of a romantic dramatization of a **Jane Austin** classic novel, in **'Bride and Prejudice'**. From the Director of Bend it like Beckham, this colourful tale sees the main characters circumnavigate between India, London and LA, all the time keeping distance between the tradition of arranged marriages. Screening for your enjoyment next **Tuesday 3 October at 7:30pm.**

## Notices

### IT'S MORE THAN COLLIWOBBLES AND THE OLD ROYS

So maybe **AFL** football is not your thing, you struggle to recall the colours of the **Collingwood** or **Brisbane** club guernseys, you don't care what the difference is between a ball and holding the ball, but you would be hard pressed not to be electrified by over **100,000** people all cheering at the same time. Footy fanatic and social butterfly **Ann.S** is throwing open her hospitality arms and asking you to join her in the Club Lounge **this Saturday at 12:30pm** for pre **AFL Grand Final** nibbles and drinks she is kindly providing for all the residents. Afterwards, take the short stroll to Hester Class to enjoy the match on the **Big Screen**, followed by post game coffee and cake plus a chuckle or two back in the club lounge.

### SPRING IS IN THE AIR

Our latest garden guru **Heather** has been busy transforming a number of **Hester Canterbury** balconies and courtyards in readiness for the beautiful filtered Spring sunshine, but don't forget it is also timely to kick start your plants happiness by sprinkling some organic rich **Worm Juice** around. Bottled for your benefit and available from any of the three refuse rooms in the basement.

### ONE SEAT ON THE BUS

Last chance to snap up the remaining seat on the **Hester Canterbury Resident Outing** to this years **Archibald Prize**. The day trip on **23 October** includes transport, the exhibition and lunch. Sign-Up now at Reception.

# THE TASTE OF CHANGE

The introduction of the **Hester Canterbury Spring Menu** is not the only new addition to the residents dinner table.

To deliver a more consistent and refined presentation of the evening meals, we have sourced **new** dinner plates and bowls as the existing **Hester Canterbury** crockery was blending in with the mish-mash of Faversham House's. The new crockery for the evening meals is easily defined with a unique colour and textured pattern and is for **Hester Canterbury** resident meal use only.

As we only purchased limited stock, it is imperative that if you receive an evening meal that you return the crockery, dirty or clean, to the Hester ground floor kitchen **as soon as possible after use** so the **Faversham Chefs** do not run short.

Also, so I am not chasing meal orders each week and sending through the orders to the **Faversham Chefs** late, delaying their stock orders, I have now changed the **cut-off** for orders to the **Wednesday before by 3pm**, but please note you can submit your order anytime before the cut-off.

## THE LAUGHS ARE ON YOU

As this **Friday 29 September** is a public holiday (for some reason), the scheduled **Funny Friday Matinee** will not take place so I'm leaving you all in charge of finding your own laughs on the day.

Lood Guck.

## FOOTY FEVER FISH 'N' CHIP NIGHT

For those that have signed up for **Fish 'N' Chip** night this **Thursday 28 September**, make sure to scribble down in your social calendar to be present in the **Dining Room at 6pm** for a fresh fishy feast.

**B.Y.O** drinks is highly recommended.

Have a fabulous week and take care.

**Week Three of the Spring Menu starts on Monday 02 October. Please place orders anytime prior to 3pm the Wednesday before. Bon Appetit!**
