Notices

LAI D BACK CARPET

We are still finalizing the details around the install of the **New Carpet** in the ground floor communal areas, but I am pleased to advise that the contractors are ready to proceed sooner than later. The issue unfortunately is that they may only be able to provide **48 hours** notice before they arrive, so we will not have a lot of time for alternate contingencies while the work is being completed. It has been advised that the **New Carpet** will be laid in 3 separate sections over 3 days, but this is yet to be confirmed. I shall keep you informed as information comes to hand. Thank you.

FROM CAMBODIA TO CANTERBURY

Resident **Ann.S** has organised **Guest Author** and founder of **'Happily Made'**, **Veronica Sherman**, to speak to the residents about her extraordinary life and showcase some of the beautiful handcrafts she has made by humble Cambodian village women. So bring along your ears, your spare change, family & friends and partake in the delightful life story of **Veronica**, along with a book signing and some Christmas shopping, **Monday 30 October at 10am** in the **Club Lounge**.

FINDERS KEEPERS

Just wondering if anyone owns the box of disposable black face masks sitting on the front **Reception** desk and wishes to claim it back, feel free. Also, if you believe you have misplaced some money last week around the **Club Lounge** and can tell me the exact amount missing, then please let me know. Happy to return to rightful owner minus handling fee **\$\$\$\$**

90 MINUTES THAT MAY SAVE YOUR LIFE

If you do not have something already planned for **Thursday 2 November at 10am**, then it is imperative that you are available on-site at **Hester Canterbury** for the **Annual Fire Briefing and Drill**.

A facilitator from **Statcom Emergency Management** will be attending to brief you on fire safety and what to do if there is an emergency evacuation, plus we will be conducting an actual **Fire Drill** after the briefing to ensure you understand what to do in the event of an emergency.

Please ensure you are present in the **Club Lounge by 10am** for the briefing and then you will be asked to return to your apartment for the **Evacuation Drill**. We cannot stress it enough, the importance of participating in this exercise as it could literally be the difference between life and death in a real situation. If you are concerned about your mobility, this is the perfect platform to discuss this with the **Statcom** facilitator.

If you have any questions regarding this request or are aware that you will definitely not be available on the day, please let me know at your first convenience.

WE'RE STEALING THE LAUGHS

Talented Australian actress **Cate Blanchett** proves she can deliver a funny line just as well as the next person in this week's **Funny Friday Matinee, 'Bandits'**. Detox from the morning's seriousness and shout yourself an afternoon of laughter while being totally entertained by a stellar cast of quirky misfits.

Reserve your **Hester Class** seat **Friday 13 October at 1pm** sharp.

THE RED CARPET IS READY

Not long now until the **Canapés & Community Cocktail Night (Friday 27 October @ 6pm)** which will see the normal **Friday Happy Hour** transformed into a decadent evening of fine food and memories. The idea of the evening is to not only bring the residents together, but a perfect opportunity socially to extend the welcome mat to your love ones and friends.

Please **RSVP** to this BYO event by **Thursday 19 October, 2023**.

Week One of the Spring Menu starts on Monday 16 October.
Please place orders anytime prior to 3pm the Wednesday before.

Bon Appetit!
